v2

article provides recommendations when posting Shipment and Invoices at the same time. Please follow these steps: 1. Sign into the Dynamics 365 Business Central (D365 BC) application. 2. In the top ribbon bar, select the **Search** icon and type in "Document Sending Profiles" and then select **Document Sending Profiles** from the menu.

3. Select **New** from the Menu bar to create a new entry and then add the following content from the image below: **Code:** LNPRINT **Description:** Sending the document thru Lasernet **Default:** on **Printer:** Yes (Prompt for Settings)

General			
Code · · · · · · · · · · · · · · · · · · ·	LNPRINT	Default	
Description	Sending the document thru Lasen		
Sending Options			
Sending Options	Yes (Prompt for Settings)	Disk ····· No	
Sending Options Printer Email	Yes (Prompt for Settings)	Disk No	

5. Navigate to **Sales Orders** and find a record that has **not** been posted before. 6. Select **Posting** and then **Post and Send...**
